

Boys, Matches Cause District's Biggest Blaze

Fine of \$50 Results From
Burning Without
Permit

The suppression crew of the Truckee district of the Tahoe National Forest was called into action three times during the past few days to bring under control the 5th, 6th and 7th fires reported in the district this season.

The largest fire of the season in this district was successfully battled by 40 men and equipment in the Donner Lake Tract just above the Donner Trail Lumber Company Monday afternoon. Two acres of brush and timber land were burned over before the crews, including men from Stockton Box, Crandall Brothers, telephone company and volunteers, aided by the Nevada County caterpillar, brought the flames under control.

Two eight year old boys playing with matches admitted starting the fire, but essays submitted following their confessions indicated they had learned a valuable lesson.

Fire at Bennett Flat

A fire that same night started at Bennett Flat, two miles north of Truckee on the Trout Creek Road. The "smoker" fire was discovered by Stanley Zwarg of the telephone company, who reported it immediately and the suppression crew, headed by Nelson Stone, had the blaze controlled with the loss of less than an acre.

Car Burns

Sunday morning, E. H. Hammon, Brownsville, was cited by Stone for burning without permission after a fire started in an old automobile he was wrecking in the rear of Gateway Garage. A torch Hammon was using set fire to the oil-soaked machine, causing some alarm. Neighbors and passersby fought the blaze until the forest service and volunteer equipment arrived to take charge and quickly extinguish the blaze.

Hammon was fined \$50 when he appeared before Judge F. W. Wilson Monday.

TAX RATE FOR HOSPITAL DOWN; PROGRESS MADE

There is little doubt that the tax rate for the Tahoe Forest Hospital District will show a marked decrease for the approaching fiscal year, but the exact amount will not be immediately known. The tentative budget has been submitted to County Auditor R. E. Deeble.

The board of directors has expressed enthusiasm over the operation record for the past year and the development of the institution has been far above average, according to the California Bureau of Hospitals.

The exact figures of the year's operation will be soon released publicly. The auditing firm of Thompson, Dechow, Garcia and Reich of Oakland has just completed its work and the report will be submitted and published at an early date, C. R. Heller, board president, said.

"Considering that this report will mark the end of one year's operation, we are justly proud of the operation," Heller said. "Only two other district hospitals in the state can show similar growth."

MARTIN OROZ IS SPAIN VISITOR

Mr. and Mrs. Andrea Oroz of Centerville, Nev., with their son, Andy, and daughter, Kathleen, visited Mrs. Steve Besio Tuesday.

The Oroz' eldest son, Martine, a corporal in the signal corps, has been enjoying a leave in Spain where he attended a festival and visited his paternal grandmother. Martine, a former Truckee Outing Club skier, has sent home trophies won at Austrian ski meets.

MORE BEAVERS ARE PLANTED

Two more beaver colonies have been planted in this district as part of the state department of fish and game's fish conservation and propagation program. Warden Tom Borneman of Truckee and Clyde Shehorn, state beaver trapper, placed six beaver on Castle Creek in the Dogner Summit area and four of the animals on Juniper Creek.

Olivers Here

Mr. and Mrs. Harry "Hy" Oliver of Sacramento, one-time Truckee residents, are visiting here today.

Grizzly Island Visitors

Mr. and Mrs. Omar Alexander returned from Grizzly Island, near Suisun, where they visited Mr. and Mrs. James Leamon and left Barry Leamon for a vacation with his uncle and aunt.

Baby Seriously Bitten on Face by Strange Dog

Dogs in Neighborhood Tied As Search For Suspect Made

Two-year-old Brian Smart, son of Mr. and Mrs. Reginald Smart of Goodfellow's Coffee Shop, was treated Tuesday evening for severe lacerations on his face resulting from an attack by a vicious dog which invaded the Smart yard on Church Street.

More than a dozen stitches were required to close gashes in the boy's cheeks, forehead and lips, Dr. George Hahn reported.

All dogs in the neighborhood have been locked up until they can be examined to see if Brian can identify the one which attacked him.

NEW WARDEN TO ARRIVE HERE AS BORNEMAN LEAVES

Game Warden and Mrs. Tom Borneman are preparing to leave for Stockton where the former has been transferred by the state department of fish and game. He will be replaced here on August 1 by Erwin M. Single of Williams.

The latter is expected here this weekend to locate a home for his wife and their three children and will immediately assume his duties in this region. Captain William LaMarr and Warden Jack Perge of Roseville, who were here this week, made the announcement.

Single joined the fish and game three years ago in Stanislaus County and has worked in Fresno and Williams since that time.

Borneman has been assigned to a river boat detail and the family will reside at Stockton. Their many friends here will deeply regret their departure.

WOMEN TO MEET AT CONFERENCE ON AUGUST 4TH

The tri-county conference, sponsored by the Wyethia Club will convene at 10 a.m. August 4 in the Tahoe-Truckee High School.

The planned program for the day will include salute to the Flag, led by the Girl Scouts; a welcome by Mrs. Fred Pedley, president of the local organization, with a response by Mrs. Russell Milham, second vice president of the tri-county group. Business will be the order of the morning.

At 12:30 luncheon will be served in the building, with pink and white decorations at the tables. At 2 p.m. Mrs. Pedley's pupils will dance, followed by Mrs. Gerald Whitaker, state legislative chairman, who will be the principal speaker.

Reports will be heard from various chairmen during the afternoon. Reservations for the luncheon may be made by contacting Cabona's store by August 1 at 6 p.m.

The next business meeting of the local club will be held on August 21, the conference meet replacing the August 7 session of the group.

MAN SUCCUMBS TO HEART ATTACK

Mass for Joseph Thomas Heacock, 60, a resident of Sacramento for many years, who died following a heart attack at Webber Lake Saturday, was held at Our Lady of Grace Church at West Sacramento this morning.

Heacock was unmarried and leaves a brother, Michael, of Reno and a sister, Mrs. Dora Shillington of Merced.

The Truckee Colonial Mortuary had charge of the funeral arrangements.

Tahoe Visitors

Visitors at the Meeks Bay section of Lake Tahoe include Paul Esmoil of San Francisco; W. L. Farley and family, Ventura; the Hugo Coleman family, Los Angeles, and the T. G. Tennysons of Lynwood.

Heavy Increase In Case Load Of District Court

Consistently sharp increases in the case load of the Truckee Judicial District court are reflected in the latest semi-annual report of Judge F. W. Wilson to the state judicial council.

There were 978 accused persons before the court during the period from January 1 to June 30, 1953, compared with 814 for the same period last year. For the last six months of 1952, there were 717 persons appearing in criminal proceedings in the local court.

Sixty-nine civil actions were heard in the local court in the six months ended June 30. In the same period of 1952 there were 28 such actions and between July 1 and December 31 last, 41.

Under the heading "felony preliminaries" Judge Wilson notes nine such cases in each of the last two periods and eight in the first six months of 1952.

Traffic violations other than illegal parking account for by far the heaviest case load. For the period January 1 to June 30, 1953, this totaled 700 cases. In the same months last year, 401 and in the last six months of 1952 there were 560 such.

Of all categories, illegal parking violations coming into the Truckee court showed the sharpest decline with 371 for the first six months last year, 62 in the last half of the year and 192 for the first six months of 1953. Wilson ascribes this to the improved parking situation during the winter on Donner Summit, brought about cooperatively by the division of highways and resort owners.

Aquittals or dismissals on the criminal docket increased from two for the first half of 1952 to 24 in the same period this year.

THREE CHILDREN JOIN TO OBSERVE BIRTHDAYS HERE

Three children of Mr. and Mrs. Clarence Osburn celebrated their birthdays this month. Miss Ruth Osburn, who became 17 years of age July 17, entertained friends at an afternoon beach party at Donner Lake.

Sharing the same date is her brother, Jimmy, who had a party at his parents' home on his ninth birthday. Refreshments and games were enjoyed by Frank Costa, Don and Daryl Brakefield, Terry Walker, Bill Notley, Don Brown, David Ayala.

Gene, who was one year old July 26, was given a family party to celebrate the important event.

SOFTBALL GAME WILL FEATURE STATE VS. TEAM

A baseball game of more than passing interest will be played at the local diamond Thursday evening, August 6, when the inspectors at the quarantine station will meet the Truckee town team in a softball contest.

A keg of beer at third base could result in some hard hitting and fast base running.

Orval Vaughan will do the mound duty for the inspectors but Johnny Ray is keeping his battery secret temporarily.

Everyone is invited to enjoy the promising event and the collection to be taken up will go to the local ball club.

TERRY WALKER FETED AT PARTY

Terry Walker was feted at a luncheon party given by his mother, Mrs. James Walker, Friday, July 24, on his ninth birthday. A special chocolate cake was cut at dessert time and games were played. Cub Scout members invited are Charles Glenn, Ricky Rockholm, Barry Leamon, Quenton Kay, Gene Miller, J. C. Robinson, Jim Osburn, David Ayala, Martin Johnson, Don Brakefield, Michael Kumle.

DONATES SEED

James Sherritt, secretary of the governing board of the Tahoe Forest Hospital, has donated 25 pounds of grass seed to further beautify the hospital grounds.

Sun Beams

by WALTER BARRETT

The unprovoked attack by a vicious dog which seriously injured a two-year-old boy this week adds to the contention that steps must be taken to eliminate stray dogs from running at will throughout the area. While it is true that most of the dogs are gentle family pets, it is hard for anyone not knowing them to distinguish the pets from the vicious mongrels and it is most remarkable that incidents of children being bitten are not more frequent. Particularly alarming is the fact that groups of dogs are permitted to frequent the school playgrounds where unsuspecting young people are subject to attack by a jealous pet or an angry mongrel. We hesitate to recommend a solution other than to advise owners to keep their dogs from straying, but we think that definite steps should be taken to prevent a recurrence of the recent incident.

SWIM PROGRAM ANNOUNCED BY LOCAL GROUPS

Plans are being made for special swimming meets and instruction in water safety as a part of the swimming and water safety program being conducted this summer under the auspices of the American Red Cross and the Tahoe-Truckee Unified School District. All people of high school age and older are invited to participate in the program which will include life saving instruction, the use of boats in water safety, instruction in water skiing, the use of sailing craft and various related instruction.

The program will be under the direction of George Boyle, who has been directing the swimming program this summer. He will be assisted by James Brehler, Norman Dewhurst, Miss Carol Wood and others.

The meetings will be held from 6 to 8 p.m. on the following dates and at the designated places: Tahoe City Beach: August 3, 5, 10 and 12.

West end of Donner Lake: August 4, 6, 11 and 13.

A Weiner roast is planned to be held in conjunction with the first meeting at both of the designated places. The Truckee 20-30 Club will be host to the first Donner Lake session, it was decided at last night's meeting of the club.

CHILDREN WILL BE GUESTS AT SHRINE CIRCUS

The El-Ta-Ho Shrine Club will host the children over five years of age in the Tahoe-Truckee school district on a visit to the Shrine-Polack Circus at Mackay Stadium in Reno August 5. Children wishing to attend may sign up where the posters are displayed and written permission from their parents must be obtained prior to the trip.

The bus will leave Kings Beach post office at 11 a.m., Tahoe City post office at 11:30 a.m. and from the elementary school in Truckee at noon. Competent chaperones are being provided by the area's Shrine organization.

HELLARS OPEN UNION STATION

Mr. and Mrs. Ed Hellar this week announce the opening of their second local Union Service Station, just west of the Truckee quarantine station on Highway 40 and extend an invitation to everyone to drive out and look it over.

The new station, featuring all Union products and services, Firestone and U. S. Royal tires, will be operated on the same basis as the big Hellar station at Bridge Street and Commercial Row in Truckee. The open house ceremonies will be announced at a later date.

Mrs. Valerio Arraziz underwent a minor operation in the Tahoe Forest Hospital this week. Dr. George Hahn reports her much improved.

Meadow Park People Organize, Risden is Prexy

The Meadow Park Improvement Association, headed by chairman Eugene Risden, was formed at a meeting in the office of the Truckee Public Utility District Tuesday night. Mrs. Lloyd Everett was selected as association secretary.

The chief purpose of the organization will be to secure adequate roads and streets in the thickly populated area. A committee of nine volunteers, with Pete Zydner as chairman, will meet with the board of supervisors Monday to present a petition urging that group to take steps to take over and improve the roads.

The next meeting of the group will be held in the basement of the Methodist Church next Tuesday evening when a report on the committee's findings will be made and other plans for improvement of the area discussed.

SIX INJURED IN FIVE ACCIDENTS IN THIS REGION

Five motor vehicle accidents in which six persons were injured were reported by the highway patrol this week.

James Henry Foose, 43, Vacaville, was taken to the Tahoe Forest Hospital for treatment after his car got out of control on the Dog Valley road a mile east of Highway 899 and overturned.

Foose suffered a mangled hand when it was caught under the overturned vehicle. His wife and a fishing companion escaped injury.

Patrolman Carroll Maynard cited Foose for driving without due caution. The accident occurred Saturday evening.

No one was injured when cars driven by John A. Capps, 63, Galt, and Raymond L. Jackson, 31, Richmond, collided just below Donner Bridge Sunday morning at 1:45 o'clock. Capps was cited by Maynard for being on the wrong side of the white line.

Hits Army Truck

Mrs. Thelma Barengo of Reno was taken to the hospital here last night when a car driven by her husband, Prieno, crashed into an army truck driven by Richard Knipper of Sky Lodge near Donner Lake. Patrolman William Gautsche said he would cite Barengo for attempting to pass without clearance.

Three in One

Three bay area youths, Lynn Nebecker, 19, Jeannette Robinson, 19, and Edward Cathcart, 17, all of Piedmont, were hurt when the car driven by the former overturned near Big Chief at 1:45 a.m. Tuesday.

Crash at Tahoe

Minor injuries were suffered by Charles Strauss and Hermine Strauss, both of Fresno, when cars driven by Norman Strauss and George E. Walters of Tahoe collided last Wednesday near Tahoe City.

Both drivers were cited by Patrolman T. F. Sheehan.

TRUCKEE BROWNIES ON NEVADA VISIT

Truckee's Brownie Troop No. 1 ate lunch on the Carson City Capitol lawn after having received permission from Governor Charles Russell of Nevada during their conducted tour on July 27 of a number of historical sites in the neighboring state.

Those taking part in the trek included Karen Smart, Kittie and Terry Ellis, Ginger and Donna Barnes, Lyla Frates, Donna McReynolds, Shirley Patton, Rene Hall, Bonnie Fair, April Lander, Kathryn Barrett, Shirley Guymer, Vicki Firpo, Kathy Curran, Carolyn Smisek; their leaders, Mesdames Jack Ellis, Harry Barnes, Fred Pedley, Frank Nast and the latter's daughter, Patsy Nast.

Father Here—Harry Stockdale of San Francisco is visiting here with his son-in-law and daughter, Mr. and Mrs. Reg Smart.

Nobles Fishing

Mr. and Mrs. Yell Nobles of Merced were on a fishing trip in this area and visited friends Friday. They once resided here.

Highway Forty Designated As Freeway Route

State Highway Commission Urging Local Road Over Sierra

SACRAMENTO —(CNS)— U. S. Highway 40 has been designated by the California highway commission as the route for a four-lane roadway over the Sierra Nevada.

The action was taken after California legislators in Washington informed state officials a route would have to be selected before congress could consider appropriating matching funds for building such a highway.

The state legislature recently set aside \$20,000,000 to construct a modern highway between San Francisco and the Nevada state line. But it stipulated the offer was good only if the federal government put up a like amount for the work.

State public works officials said they were not optimistic a federal grant will be forthcoming. The next move, they said, is up to congress.

TRUCKEE'S FREE PARKING LOT IS NOW AVAILABLE

Truckee's free parking lot is now open and ready for use, according to Cliff Ellis, president of the Truckee Chamber of Commerce, which is sponsoring the project.

Ellis said the chamber had done all the work on the lot they are able to do and that businessmen and other local residents or shoppers may now use it. The project was conceived to relieve parking congestion along the main business street.

The lot is located on Bridge St. next to the Stone Garage and opposite the Donner Hotel.

COUNTRY FAIR IS SCHEDULED HERE BY LOCAL CLUB

The Wyethia Club will hold a Country Fair in the Tahoe-Truckee High School on August 14 and 15 when an art exhibit will be held, hobbies shown and merchants have been invited to sponsor booths. Dinner will be served both nights by members of the club, followed by entertaining programs.

On Saturday night dancing and an amateur show will hold the attention.

Home cooked delicacies and other articles will be offered for sale and those attending are promised a good time.

Those wishing to enter their hobbies in the show are asked to leave their name and hobby information at Cabona's store.

BIRTHDAY PARTY FOR LOCAL GIRL

Gail Englehart, youngest daughter of Mr. and Mrs. Wm. Englehart Jr., was honored at a birthday party celebrating her fourth birthday Saturday, July 25, at her home here. Pastel shades were used in the appointments and a blue and white cake was cut at refreshment time. Those attending were Anne Morey, Brian and Karen Smart, Lynn Quarty, Kathryn, Sheila, Phyllis and Patricia Barrett, Caroline Lagomarsino, the rett, Caroline Lagomarsino, and Irene and Merrill Englehart.

DICKIE DANIELS PARTY HONOREE

Blue and red were the colors chosen for the appointments and table decorations at a party honoring Dickie Daniels, youngest son of Mr. and Mrs. Ralph Daniels on his third birthday July 24. Those attending were Gary and John Sturcke; Rosalie, Nancy, Michael, Diane and Robert Kaspian, Mike McDaniels; Kathryn, Sheila, Phyllis and Patricia Barrett.

The O. J. Lockwoods of Santa Monica were here Wednesday and are vacationing at Lake Tahoe.

School Budget Hearing Slated On August 4

Tax Rate Likely Will Not
Be Changed During
Fiscal Year

A tentative budget calling for an expenditure of \$385,892.32 for the operation of the Tahoe-Truckee Unified School District during the 1953-54 fiscal year has been adopted by the governing board.

A public hearing on the proposed budget will be held at the high school near Truckee August 4 at 8 p.m. Everett O'Rourke, district superintendent, announced a regular meeting of the district trustees will be combined with the budget hearing.

The budget is more or less fluid since no determination of the utility rolls, from which the district derives a rather large portion of its revenue, has been announced. It is generally estimated that the tax rate in the district will remain at \$1.55, the same as last year. This does not include bond retirement which may add another 35 cents to the amount.

State Aid—Last year's total expenditure was \$459,797.73, less \$97,080 placed in the undistributed reserve. From this year's total can be subtracted \$32,152 of which \$14,000 goes into the general reserve for use during the 1954-55 fiscal year.

The state appropriation to the local district, based on an average daily attendance of 510, will be \$61,440 this year as compared to \$57,166 last year. That will leave an estimated \$239,055 to be raised through district taxes, compared to \$240,810 from this source during 1952-53.

The Costs—The largest expenditure required will be for instruction. This item totals \$157,665 compared to last year's \$147,382.

Other costs estimated include transportation which is unusually high in this district because of distances and winter road conditions. An estimated \$29,200 has been set up for this purpose while last year \$30,380 was required. Administration costs will approximate \$21,200, some \$2,000 over last year's \$19,145.35.

Operation of the school plants will cost \$43,715, considerably less than last year's \$53,065, while \$12,786 has been budgeted for fixed charges, as against \$19,111 in last year's budget. Food service increased in the current budget from \$8,756 to an anticipated \$10,804 for 1953-54.

Capital outlay for the coming year is fixed at \$59,000 of which \$42,000 will be spent for construction of the addition to the Truckee elementary school. The sum of \$53,646 was required for this item last year.

The public is invited to attend the meeting next Thursday for an explanation of the various costs. Walter A. Loynd, board president, will preside.

INJURED WOMAN GOES TO BAY

After 17 days at the Tahoe Forest Hospital where she was under the care of Dr. George Hahn and Dr. James R. Herz of Reno, Mrs. Clara Turnquist of San Francisco has sufficiently recovered to be removed to her home. She was seriously injured July 9 in a fall from a resort chair lift.

She was taken to San Francisco by train where special accommodations permitted her transportation. Mrs. Turnquist was high in her praise for treatment received here.

RENO LIONS AT TRUCKEE SESSION

Reno Lions, 29 strong with their president, Grant Gillespie, took over the meeting of the local club at Donner Lake Lodge last night. They brought with them Ray Smith, international governor and Russ Barengo, district governor of Nevada. Si Karen, California district governor, was also present.

Fred Main gave a short talk on the Mile High Gold Cup championship boat races to be held at Tahoe September 12 and 13.

Carl Becholdt presented the trophies to the winners of last week's one-club golf tournament. Charles R. Heller presided at the session.

GARY WATERS IS INJURED IN FALL

Gary Waters, four-year-old son of Mr. and Mrs. Roy Waters of Gateway Park, suffered a severely lacerated chin Tuesday night when he fell from a tricycle while playing near his home. Dr. George Hahn took six stitches to close the wound.

Swanee's Letter

Tahoe City, July 26

Dear Tahoeites:

Monday, July 27, was the birthday of Mrs. Patricia Griswold, who is vacationing with her little of her parents, the A. M. Henrys,

daughter, Mary Tabor, at the home in Tahoe City. A dinner at a north lake resort with mom and pop that evening was enjoyed. July 29 Mrs. Mary Planett, mother of Mrs. Henry, Mrs. Vern Daniels and Fred Planett, celebrated her 81st birthday at Tahoe, where she is house guest of the Henrys. Dinner and a floor show at a north end

resort were hosted for her by Mr. and Mrs. Daniels. Hale and hearty and possessed of a rare sense of humor, Mrs. Planett belies her years and received many congratulatory greetings from her many friends in the Tahoe area where for so many years she resided with her family. May we add ours?

One of the jolliest cocktail parties and dinners held this season was hosted Saturday evening by Mr. and Mrs. Stuart Rawlings of San Francisco, who have taken the Greenback home on the shore near Tahoe Tavern for the season. Later Bud Scott took the entire party for a moonlight boat ride on his cruiser to the east side for the floor show and an evening of fun. Guests included Messrs. and Mesdames Neil Brown, Edward Goldie, Horace Guitard, Robert Gray, Dwight Osburn, all of San Francisco; Lewis Marsten, Sunnyside; James French, San Rafael; Charles DeBretteville and Mrs. Thomas Mein of the peninsula and Tahoe Park; Howard Lackey and Alexandra Meyer, San Francisco, and the Bud Scotts of Tahoe City.

The Albert Stevenson family of Long Beach, with their daughter, Ethel Severson and grandson, Corky, each summer rent the large Sears summer home at Sunnyside for July. Old friends of theirs who have just left for home after a ten day visit are Dr. and Mrs. Bill Dumit of Long Beach, present guests being Mr. and Mrs. Frank Barton of Los Angeles. During the Dumits' stay an exciting round of golf was enjoyed by a foursome made up of Dr. Dumit, Stevenson, Steve Rondon and Marshall Reynolds of Pasadena on the local golf

course. Dr. Dumit was certain his score would top the others but he forgot Stevenson is a brother of two southern California experts—good golfing "runs" in the family. Stevenson handily won with a 69, par for the course. Stevensons' two brothers have been Long Beach city champs.

Misfortunes struck the home of Mrs. George Hartwig of El Sabronte last Thursday when her year old son, Douglas, fell from his high chair onto the floor and fractured the right side of his head. He was rushed to an Oakland hospital where, at latest report, he was coming out of his coma and is expected to recover. Mrs. Hartwig is Mrs. Bea Sisk's daughter and will be remembered here as Betty Sisk. She attended schools at Tahoe and spent much of her childhood at the lake. The Hartwigs have three other young sons. Mrs. Sisk arrived at Tahoe July 10 for the summer and brought along a friend, Mrs. Jenny McKinnon of El Cerrito, who has returned home.

Mrs. Alice Gebhardt of Tahoe City had as house guests last week her daughter, Mrs. Anita Grennan of Tracy and little daughter, Sarah, and Mrs. RoRse Petrocelli of Tracy and children, Linda and John. The visitors engaged an apartment in Lake Forest but spent much of their time at Mrs. Gebhardt's home visiting. Mr. and Mrs. Robert Watson entertained the visitors during their stay at dinner at the old

Watson Mill and the youngsters hugely enjoyed the big bonfire over which they toasted marshmallows. Steve Craig brought in a nice mackinaw one evening and Mrs. Petrocelli had her first taste of Tahoe trout.

Mr. and Mrs. Imon Mitchell of Sunnyside were Auburn visitors last Friday. Accompanying them were Mrs. J. Paul Webb, Mrs. Zella Mortimer, Mrs. O. M. Warner and Hal Sharrow. Before returning to the lake, the Mitchells took Mrs. Webb to Loomis to inspect the new home she and her husband built recently.

President Fred Main and Secretary Carroll Raymond of the Lake Tahoe-Sierra Chamber of Commerce last Tuesday were guests at a Reno Chamber of Commerce directors luncheon. Main gave an outline of plans for the Sky High Regatta to be run at Lake Tahoe on September 12 and 13. He declared that the attraction has grown to such scope that the Tahoe chamber hopes the Reno, Carson and Truckee chambers will feel inclined to share the task of housing and entertaining the anticipated crowds and to share in the benefits of such a visitation. The Reno group voted to cooperate in handling reservations and promotion of the regatta, naming a committee headed by Ray Jefferson to meet with one from the Tahoe chamber July 30 in Reno to further regatta plans.

Guests arriving Monday at the

Bert Scott home in Tahoe Park are Mrs. S. L. Bunker of Piedmont and Miss Lucy Altona of Berkeley. Charles Haine motored up from Oakland over the weekend to visit and returned Sunday taking with him his wife and son, Scotty, who have enjoyed several weeks at the home of her grandparents.

The J. Paul Webbs of Tahoe Park were hosts to Mr. and Mrs. George Mortimer last Saturday, honoring the retirement of Mortimer from the California real estate commission on which he has been a deputy for several years. He will now reside permanently at his Tahoe Park home and is now erecting a real estate office at the south end of his dwelling here. He and Mrs. Mortimer will remain until weather gets bad and then vacation for a month or two, returning for spring opening.

Charlie Swanson was fishing at the J. O. Johnstons' place at Sun-

nyside Monday and, after a fight, brought in a 31 inch, 10-pound steel head trout.

Good luck, good health and good cheer to all, as ever,
Swanee

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

TAHOE TOPICS

by ETHEL J. VERNON

Tahoe weather remains near perfect and this summer has, so far, been the greenest and most abundantly blossoming summer in all the forty-odd years we have enjoyed on the lakeshores. Just to mention one native Tahoe flower—the wild roses, which are exactly a month late in blooming, are more than making up for the lateness by putting out twice as many blossoms, twice the size of last year's and at least twice as pink and fragrant. The dense wild rose thickets on the Tahoe City Commons' hillsides are now covered with bright masses of bloom that scent the air along the shore all day long.

The chipmunks this summer are almost as numerous as the wild flowers. They seem to be very healthy and hardy, in spite of the fact that some organization from the lower altitudes are once more

sending groups of men into the region to scatter poisoned grain about the lakeshore for the little animals. A report this week from the Carnelian Bay vicinity says the poisoning of chipmunks there has allegedly caused the death of at least one valued domestic pet—a fine Boxer dog, who picked up a poisoned chipmunk. No cases of human illness resulting from contact with chipmunks have ever been known here, according to local physicians.

An electrical storm of short duration during the past week, which localized over the Carnelian Bay vicinity, gave some of the residents there quite a start. The lightning struck a big tree on the Butler Estate there and the resulting crash frightened several summer home dwellers nearby.

On the summit of Dollar Hill this week Greydon Voorhies opened his spacious home for the midsummer season. With him for the month of August are his parents and his sister, Virginia.

Visitors at the Tahoe City home of Mr. and Mrs. Dick Carnell this week and Mrs. Carnell's brother-in-law and sister, Cliff and Marcella Watson, with their son and daughter, from the Watson ranch near Phoenix, Ariz.

Alice A. Brown, a summer resident of Tahoe for the past twenty-odd years, is once more in her home near the lakeshore after having spent the winter and spring with relatives in southern California. Mrs. Brown decided this summer to turn the old Tahoe Pines post office building to a more interesting purpose than merely passing out mail to people as she has done so many summers in the past. She has rearranged and artistically redecorated the rather spacious interior and this week has opened a gift shop there. The majority of her gift items consist of beautiful handicraft in various forms, many of them made by enterprising neighbors in the locality. There is much rustic art displayed in the home place, besides beautiful picture plaques of the lake and highway scenes.

Visiting at the Truckee River home of Mrs. Harold Hill this week are her son, Merrill, and his three sons. All are greatly enjoying the fishing along the river. Along the Truckee River this week, fishermen are really coming into their own. Fish and Game trucks on Friday visited all the fishing holes between Tahoe and Truckee, putting into the water many can-loads of fish which were six to eight inches in length. It was estimated that about 47,000 brook trout, all of catchable size,

were planted in the river.

Laura Stanley, who is spending the summer employed at the Henry Aldrich lakeshore summer home, decided to take young George Aldrich and a visiting friend on a combined fishing excursion and picnic one day last week. Nice limits were taken and while stream fishing near Sierra, Mrs. Stanley made the prize catch of the day, a 14-inch German brown.

Mrs. R. Calvert Moore has been having crowds of guests these summer days in her beautiful lakeshore home "Fernmoore," and she good naturedly insists that sharing her vacation and home with all her friends is really "resting." Over the past weekend, beside herself, her husband and daughter, Marion, there were the following houseguests: Mr. and Mrs. W. A. Gonser and two sons, Bill and Tom; Bill Serungard, a nephew of the Moores; John Noctrieb, Bill Haas, and Wendy Hawley, who has been a guest of Miss Moore's for the past two weeks. The Moore's son, Calvert Jr., is also enjoying his school vacation here at this time. Calvert keeps the near-shore water boiling with his outboard motor, "Moore Fun," while his sister keeps her spare time well occupied in driving her larger craft, the "Eager Beaver," from point to point for the pleasure of herself and visiting friends.

Tahoe Citizens celebrating their birthdates this week are C. W. Vernon on July 26; Pat Henry Griswold, July 27, and Mrs. Mary Planett, who was 81 years old July 29.

Three summer homes in the Tahoma vicinity have just been opened for the mid-summer season and are occupied by their owners this week. The owners are Mr. and Mrs. George Poundstone of the Sacramento Valley; Mr. and Mrs. John J. Goldberg, San Francisco, and Mr. and Mrs. Herb Dana of Oakland. Mrs. Georgia Lambert of Auburn is in her Tahoe Park home this week for the summer, accompanied by her sister.

Fred Mayhew, 49, chauffeur for the A. B. Saronis of Sunnyside Beach, was injured in a wreck near Crystal Bay last week when the car which he was driving collided with another car on a curve and turned over. His injuries were not considered serious but he was hospitalized for shock, cuts and bruises. The occupant of the other car was not injured.

Philip Brown, younger son of Dr. Cabot Brown who has been a summer resident here for the past 35 years, has been a guest during the past week at the Tahoe Park home of Mr. and Mrs. Albert Mill-

FIGHT 10 ACRE FIRE NEAR WEST SHORE EARLY THIS WEEK

TAHOE CITY—The most serious forest fire in the region this summer was under control at last Monday morning after burning over more than ten acres of snags and fir trees along the northwest border of the Eldorado National Forest on McKinney Creek. Sixty men fought the raging blaze in a rising wind from mid-day Sunday through most of Sunday night.

Although the fire was across the line from his own district, Clarence Beavers, Tahoe Park forest service officer, led six men from his own station, with a crew from the Tahoe City fire department, into the back country to fight the blaze. The entire crew from the Crystal Bay ranger station also brought their equipment to aid and Chambers Lodge added their fire fighting facilities.

The blaze was first reported at 2:55 on Sunday afternoon by the Truckee ranger station, which sent the Tahoe crew and equipment to the scene. Additional help was brought from the Truckee station, the Lake Valley fire district, Myers ranger station and the Pacific ranger district. Tourists and residents and an Indian crew of China Flat also aided.

The flames were plainly visible to hundreds of Lake Tahoe visitors and summer home residents during Sunday afternoon and evening.

Beavers said indications were the fire must have started from a cigarette thrown into dry underbrush. The tracks of two horses were found just south of the road leading into the Rubicon country. Later a fisherman told him of a man he had met on that road, headed for Rockbound Lake. Beavers said he obtained a description of the man to enable forestry officials to trace him for possible questioning. (ejv)

Guests at Snyder's—

Guests at the A. A. Snyder home in Lake Forest for a few weeks are Mr. and Mrs. A. G. Henninger of Roseburg, Ore. Bob Snyder is home from San Francisco where he took his small niece, Stephanie, to see the Ice Follies. (es)

er. Mrs. Miller's 16-year-old son, Michael Marston, got driftwood splinters in his foot while swimming one day last week and had to have an operation. He is now recuperating at his mother's home.

DANNY SHEEHAN STRUCK BY POLIO ON VISIT TO L. A.

TAHOE CITY—Danny Sheehan, 14 year old son of Patrolman and Mrs. T. F. Sheehan of Lake Forest, was resting easy Saturday night in Los Angeles General Hospital, a victim of non-paralytic polio, contracted while vacationing with relatives in Los Angeles.

The boy was removed to the hospital last Thursday night and for a while fear gripped the family until doctors analyzed it as a light type of the dread disease which should leave no crippling effects.

His father, who rushed south on receiving word, phoned his wife Saturday evening, saying he had just left the boy's side and found him looking and feeling fine. The Sheehans have two other

GARROW BUYS BIG PIECE OF DRUM ESTATE

TAHOE CITY—Another large portion of the many-acre Drum Estate was sold during the past week to Elston Garrow. The purchased property consists of 120 acres of forested land northwest of Meeks Bay and above Highway 89.

This timbered land takes in a gradually sloping mountain side well suited for home sites. Garrow is reported to have indicated he plans to subdivide the property for summer homes. (ejv)

sons. Their many friends will rejoice to learn the illness will not prove serious, although Danny will remain in the hospital for some time for treatments. (es)

Here are the facts why Crystal gives you MORE

1. Crystal Milk is the RICHEST milk of all—proved richest by independent laboratory tests.*
2. Crystal Dairy Foods are FRESHER—rushed fresh every day from local dairy farms to the Crystal plant, then to your food store or to your door in our own refrigerated trucks.*
3. Crystal Ice Cream costs you less, yet gives you MORE RICH CREAM than most premium-priced brands.*
4. Crystal Wins MORE GOLD MEDALS, year after year, than any other Sacramento Valley dairy.*
5. Crystal Milk, Butter, Ice Cream and Nonfat Milk are PREFERRED by more Valley shoppers than any other brand.*
6. Crystal Dairy Foods come from the only COMPLETE dairy plant in the Sacramento Valley, with facilities to process all your dairy foods.*
7. Crystal contributes more to the PROSPERITY of the Sacramento Valley than any other dairy because it's the Valley's largest home-owned dairy.*

Every third employee owns part of Standard

Meet Forrest Dickinson, a driller from Whittier, California—and one of the owners of Standard Oil Company of California. Forrest is bringing up three youngsters, buying a home, and is also building a family nest egg by investing in his Company through Standard's stock ownership plan. Forrest and other Standard Oilers who are 35 or older and have 5 years of service, may, if they wish, invest a portion of their pay in Standard shares. The Company assists by contributing a percentage of its net profit to the stock ownership plan. Thus, in addition to salary and employee

benefits, Forrest shares Company earnings in two ways: through Standard's contributions to his stock purchases, and through dividends on stock. Nearly 95% of all eligible employees now participate in this plan. While several thousand previously had invested in Company shares on their own, 12,000 of a total 34,750 Standard Oilers are now shareholders. This means, of course, that better than one out of every three people who work for Standard also own Standard. That's why Standard Oilers work harder to serve you better—after all, it's their business, too.

There's No Such Thing as a "typical" Standard shareholder. More than 115,000 individuals and couples from all levels of life own Standard.

Standard's Owners are, mainly, thousands of average everyday people, most of them Westerners. Their Company's management is wholly independent. Standard Oil Company of California is neither owned nor con-

Small Businesses and large believe in us, too, because our records show that 1,889 firms own shares of Standard Oil Company of California stock.

244 Churches and religious organizations, 165 hospitals and medical groups, and 293 universities and schools own part of Standard.

trolled by any of the Standard companies in the East. Questions or comments about our Company are always welcome. Write: Standard Oil Company of California, P.O. Box 3495-B, San Francisco, California.

Auburn-Tahoe Back Country Jeep Trip Next Weekend

The annual Jeep Trip from Au-
burn to Lake Tahoe via Wentworth
Springs is to be held Saturday and
Sunday, August 1 and 2, according
to the Auburn Chamber of Com-
merce, one of the sponsors of the
trip. Al Bequette is general chair-
man of the trip and will be assist-
ed by a committee from the cham-
ber and the Auburn Jeep Club, co-
sponsors.

According to Ronald Mangseth,
chairman of the chamber's recrea-
tion committee, this trip through
one of the most primitive areas in
this part of California is the third
annual jeep trip over this route.
About 20 persons in seven jeeps
made the trip in 1951. Last year
over 60 people in 21 jeeps made
the trip and interest in this year's
trip was so great that the Auburn
Jeep Club requested the help of
the chamber of commerce in ar-
ranging the details and handling
reservations.

100 Person Limit
This year's trip will be limited
to 100 persons, adults only. Each
must furnish his own transporta-
tion, sleeping equipment, knife,
fork and spoon. Jeeps must be in
first class condition. A charge of
\$6 per person will cover a barbe-
cue Saturday night, breakfast Sun-
day morning and a lunch while on
the road.

Reservations, which are requir-
ed, closed July 15.

The caravan will assemble at the
Freeman Hotel in Auburn for de-
parture at 1 p.m. Saturday with
the next stop thereafter scheduled

at Georgetown, where additional
participants will join the group.

From there the route will be by
way of Balderson's and the 12-Mile
House which was the end of the old
mail route, on to Uncle Tom's Cab-
in, a distance of 25 miles, for the
next stop. Uncle Tom's Cabin was
first built in 1864.

Barbecue Dinner
After a brief stop at Cold Spring,
the caravan will arrive at Went-
worth Spring, a distance of 10
miles farther, at approximately
4:30 p.m. where Orin Ellingson
will be host. A barbecued steak
dinner with all the trimmings will
be served, after which a giant bon-
fire, group singing, story telling,
etc., will take up the remainder of
the evening until midnight curfew.

Transportation for sleeping and
eating equipment back to Auburn
will be provided from Wentworth
Springs so that the jeeps will not
have to carry an unnecessary gear
over the rough portion of the trip
the following day.

Breakfast call is at 6:30 a.m. and
departure from Wentworth at 8:00
sharp.

From Wentworth, the road
passes through some beautiful
country including several lakes
such as Loon, Mary's, Quail, Bugle,
McKinstry, Pleasant and Spider
lakes. After a brief stop at the
head of the Sluice Box for pictures,
the caravan will proceed to Buck
Island Lake for swimming and
fishing with the renowned Mr. and
Mrs. Victor Wikander as hosts at

MANY VARMINTS KILLED IN MAY

SACRAMENTO—A total of 186
coyotes and 99 bobcats were taken
by state fish and game hunter-
trappers during May. Some 408
other varmints also were killed.
The month's catch included 97
skunks—49 of them in Monterey
County—32 porcupines and five
hawks. Several of the state trap-
pers also helped departmental bea-
ver crews live-trap and transplant
beavers.

WATER MOVED
Water is transported as far as
500 miles by the Central Valley
Reclamation project.

their island retreat on the lake.

From there, the route becomes
more of trail marked by "ducks"
over lava flows, past Rockbound
Lake into Rubicon Basin and Rubi-
con Springs. Here lunch will be
served and time allowed for swim-
ming, fishing and sampling the
mineral waters.

On To Tahoe
From Rubicon Springs the route
follows the old stage coach road to
McKinney's, now known as Cham-
bers Lodge, at Lake Tahoe, which
passes Miller Lake, Lily Lake and
others.

From Chambers, State Route 89
is to be followed to Tahoe City
where the party will enjoy the
hospitality of Bill and Carl Bech-
dolt, who will later serve a buffet
supper at the Tahoe City golf
course.

A 16 millimeter movie film will
be made of the entire trip and will
be shown at a party for members
of the excursion approximately
one month after the trip at a place
and time to be announced later.

PASADENAN DIES WHILE EXPLORING HELL HOLE AREA

TAHOE CITY—The body of
Dee Allen, 53, well known Pasa-
dena newspaper photographer, was
brought out from Diamond Cross-
ing, near Hell Hole, around 6 p.m.
Friday by Dr. DeWitt Burnham,
Carl Burnham and Ray Caples.
Pack horses from Bud Jones'
stables were used to carry out the
camping equipment and body of
the unfortunate vacationer.

Allen, a veteran mountaineer
who has spent many months ex-
ploring the Tahoe country over
past years, was camping with Don
Armer, also of Pasadena, and tak-
ing wild life movies. He arose early
Friday morning to look after the
horses, tethered nearby, and some
time later was found by Armer
lying dead in front of the door of
his cabin. Armer rode for hours
to reach the Jones' stables at
Squaw Valley for help and Jones
notified Constable Harry Johanson,
who in turn asked Jones to send
in some men and horses to remove
the body.

When the pack train arrived in
Tahoe City, Francis West, Placer
County coroner, was waiting. An
autopsy Saturday revealed the
cause of death to be a lung hem-
orrhage. The deceased leaves his
widow, Ruby, and a daughter in
the southern city. Allen was a
life-long friend of Carl Bechdolt
Sr. of Tahoe City and leaves many
other friends in this area.

Cremation was in Sacramento
with final rites and inurnment at
Pasadena. Sincere sympathy is ex-
tended his family. (es)

TO YOUR HEALTH

"Have a Good Vacation"

Column Sponsored by
MRS. MARIE HENRY
Tahoe City, Member of the Placer
County Board of Health

You say those words and hear
them constantly these days as the
annual vacation period is in full
swing, "Have a good vacation."

You've planned to have a won-
derful time. But you do know that
there are hazards and it's well to
plan for them, too. You know that
a vacation can be ruined by an
emergency you aren't prepared for.

You will remember to take along
a first aid kit, plenty of sunburn
and poison ivy lotion. But there's
another piece of equipment that is
vitaly important and that is your
own attitude in an emergency.

Accidents will happen and some
times they happen when medical
help isn't close at hand. One of
the greatest dangers in any type
of accident is shock. Scientifically
speaking, shock is the result of a
relative lack of blood in the body.
It may be caused by bleeding—inter-
nally or externally—or by loss of
water and salt, for example, from
sweating in heat exhaustion or
from excessive vomiting or diar-
rhea. It may also be caused by ex-
pansion of the blood vessels
brought on by acute anxiety, con-
tact with high voltage wires or by
severe pain. It often results in too
little blood reaching the brain,
producing drowsiness and uncon-
sciousness. If not overcome
promptly, death can occur.

Only a doctor, of course, can
give blood or plasma transfusions
or administer drugs. But the pres-
ence of a person who keeps his
head at the scene of an accident

may be almost equally important
in saving a life. Counteracting an-
xiety by reassurance, assuming a
calm and cheerful manner, and di-
verting the patient's attention are
important aspects of treating
shock.

In addition, a calm person will
remember to give liquid if the case
is one of loss of body fluid; to
lower the patient's head if there
is a lack of blood in the brain. You
may not be sure of your ability to
apply a tourniquet for bleeding but
remember, a little pressure at the
right place may stop bleeding.
You can keep a cool head and help
the patient merely by the way you
behave in the emergency. He may
owe you his life.

Much Work Needed to Convert Vikingsholm for Public's Use

by HENRY C. MacARTHUR
(Capitol News Service)
VIKINGSHOLM, Emerald Bay, Lake Tahoe—The over-worked word "fabulous" is just a little too weak a description for this picturesque estate of 177 acres, acquired by the state for \$150,000 as a part of a program which envisions ac-

quisition of all the land around Emerald Bay for a vast state park serving thousands of vacationers annually.

And now that the state has Vikingsholm, a many-roomed mansion constructed by the late Lora J. Knight, wealthy heiress, it is planning to work out an arrangement with the National Audubon Society to turn the main house and ten guest cottages into a summer school for naturalists.

Land Primary
It is extremely difficult, according to Newton B. Drury, chief of the state division of beaches and parks, to figure out just what could be done with Vikingsholm to serve the best interests of the public. He explains the state was primarily interested in the 177 acres surrounding the place, rather than the mansion itself. To secure the land, which is heavily forested and bordering the bay, it was necessary to buy the entire estate.

If plans of the division work out, California will have one of the finest spots in the country for a summer naturalist school. Drury says the plans must be worked out so that anyone who wants to pay the fee can enroll in the school. In other words, the division does not contemplate a monopoly for anyone or restrictions which would deny the public use of a public park.

It is reasonably obvious that large amounts of money must be spent before Emerald Bay is readily accessible to the public for vacation purposes. First there is the matter of suitable roads into the bay. There are roads at the present time but improvements are necessary if they are put to general use.

Sanitation Problem
Then there is the matter of sewage disposal. The area around Emerald Bay never has been developed to accommodate large numbers of people. Water facilities and camping spots also will be necessary. Engineers of the division are at present working on a master plan for this development of the entire bay, contemplating the ultimate acquisition of all the property around the picture spot.

The elaborate Knight mansion itself is ready for occupancy, as the original furnishings went with the purchase. The mansion, constructed around a flag-stoned court with a live pool in the center, is indiscernible from the highway a thousand feet above. And

SMOKEY'S NOTEBOOK OF STARTLING FACTS

CRATES FOR 2 AIRPLANES REQUIRE THE SAME AMOUNT OF LUMBER AS THE AVERAGE FIVE ROOM HOME!

HELP PROTECT OUR VITAL WOOD SUPPLY. HELP KEEP AMERICA STRONG. PREVENT FOREST FIRES!

there is a reason for this as the roof is planted with forest grasses and shrubs.

The dragon theme is carried out throughout the structure, the theme representing the prowess of ancient Viking ships. Hand-carved dragon heads adorn the roof peaks, and within the mansion itself, scores of similar but smaller carvings are hung. Contrary to general belief, most of the carvings were done on the place itself. The furniture, constructed generally in Scandinavian style, was also built on the place, of California milled wood, and the foot wide, sugar pine wall paneling was milled at Placerville.

Native Stone Walls
Walls of the house are native stone, in pieces so large a derrick must have been necessary to hoist them into place. During the winter months, the establishment is almost completely buried in snow. One of the most attractive walks around the place is a ten-minute hike up a well-constructed trail to the base of Eagle Falls, which is rewarded by an entirely new view of this tremendous cascade.

All in all, Emerald Bay should make a superior state park, and while it won't be used except for a short season of the year, will at

least give the public better facilities than it has at the present.

LOW LEVEL ROAD AT EMERALD BAY IS URGED BY MAIN

SACRAMENTO —(C.N.S.)— The California Highway Commission has before it a proposal to make a new stretch of road, which would in effect be a shore-line highway on the west side of Lake Tahoe, and circumvent the heavy grades around Emerald Bay.

The proposal was laid before the commission at its meeting here last week by Fred Main, president of the Lake Tahoe-Sierra Chamber of Commerce.

Main told the commission the present road is highly dangerous, in view of the many slides that close it for a good portion of the year, both snow and dirt.

The route, he said, is the shortest road between Highways 40 and 50, across the Sierra in California. Resort owners and business interests around the lake, as well as

some 2,000 home owners, are demanding the low-level, all year highway. Main said. The road would necessitate a bridge across the Emerald Bay entrance.

George T. McCoy, state highway engineer, told the commission that engineers have studied the project. "We know all about it," McCoy said when Main finished his presentation. "It's just a matter of money, and it's a multi-million dollar project."

Senator Swift Berry of Placerville announced at the close of the 1953 legislative session that he intends to introduce a bill at the next session to provide for construction of a new route, which would involve about ten miles of new highway.

LITTER BY THE WAY
California's highways are littered with cans, bottles, papers and other trash. Help clean them up and keep them clean. Don't throw trash from your car.

BOATS COLLIDE, ONE TO BOTTOM OF LAKE TAHOE

TAHOE CITY—A 17-foot speed boat belonging to A. J. Hurzog of Piedmont lies in 600 feet of water off Rubicon Point, a total loss to its owner, following a collision on Sunday afternoon.

Both boats involved in the accident were owned by Hurzog and according to the Lake Tahoe Coast Guard Auxiliary his two sons were each driving one of the boats. The larger craft, a 25-footer, rammed

the smaller as the two young men tried to execute a water skiing maneuver. The driver of the sunken boat was picked up immediately by the other driver and no one was injured. It was reported that the rammed boat went to the bottom within two minutes. (ejv)

Camping Trip—

A wish of 11 years old Anne Del Carlos was realized last week when she and her grandmother, Mrs. H. Olander, went on a camping trip, the latter having recently arrived from the bay district to visit her family at Lake Tahoe.

DOCTOR TO OPEN OFFICES SHORTLY AT TAHOE CITY

TAHOE CITY—This community is to have a resident medical doctor for the part of August on. Frank W. Gorham, M. D., has leased the old Wehrman home adjoining the Kehoe market on Front Street in Tahoe City. The doctor, who came originally from San Mateo, has a summer home a few miles south of here. The building in which he will begin his practice this coming week was used during the past four years by Robert Shields, realtor, who is now engaged in business in Auburn. (ejv)

DETERMINE CAUSE OF YOUTH'S DEATH

TAHOE CITY—Mr. and Mrs. Otto Darlin, who have been in Berkeley since the funeral there of their 12-year-old son who died in the lake here recently, are expected to return to their home here next week. Mrs. Darlin wrote a friend here to report an autopsy showed the boy did not drown but had died from the results of an enlarged thymus which had weakened his heart. The physician said that he could have as easily passed away suddenly in his home or at play anywhere.

The Darlins had just completed and moved into their home on the Cliffs at Tahoe City about a month before the boy died while swimming. They were former Tahoe residents but had lived in Berkeley for most of their young son's life. (ejv)

ALAMEDA TO TRY BAD CHECK SUSPECT

AUBURN—Alameda County authorities have decided to prosecute W. A. Thompson on a fictitious check charge rather than surrender him to Placer County on a warrant accusing him of issuing a worthless check to Jake Obexer of Homewood to make a down payment on a \$3,000 speedboat.

Lieut. Milford Whitehead of the Placer sheriff's staff stated Thompson had admitted the Placer offense and told authorities the boat is in storage. Whitehead questioned Thompson in the Alameda County jail.

Tiffanys Return to Lake—

Mr. and Mrs. W. R. Tiffany of Stockton are back at Homewood, where the former plans to catch his quota of fish.

EASTERN FORESTS

Great forests of white pine once grew in the eastern part of the United States. (ejv)

GROUND BROKEN FOR SEWER WHILE RULES ARE STUDIED

TAHOE CITY—Construction of Tahoe City's new sewage disposal plant got underway on Monday, with the delivery here of several truck loads of sewer pipe. Trenching for the pipe and excavation for the treatment plant was to start Tuesday or Wednesday, according to F. F. Dahms, general superintendent for Midwest Construction Company.

Midwest was low bidder of the four construction companies bidding on the project. Their bid was \$116,996.01. Bonds totaling \$126,000 were approved by the people a year ago.

C. W. Vernon, president and manager of Tahoe City Public Utility District, said the cost of the project, including engineering and legal fees and various costs incidental to the project which started five years ago, have now mounted to \$134,000. He said the \$9,000 deficiency will be made up from the state division of beaches and parks which will be served and from the use of most of the water department's sinking fund.

Directors of the district are now considering ordinances to establish rules and regulations on responsibility of owners of property to pay yearly service charges, the service charge and rules on service connections. (ejv)

ARRESTS MADE BY LIQUOR AGENTS IN TAHOE RESORTS

TAHOE CITY—State liquor law enforcement officers made four arrests on the northwest end of Lake Tahoe Sunday night and early Monday morning. Hearing were held in justice court at Tahoe City before Judge Harry Charrison Monday.

Jose Yancey, bartender at Tahoe Tavern, charged with selling liquor to a minor Sunday night, was fined \$100 following a plea of guilty. The 16-year-old boy involved also pleaded guilty to buying the drink and was certified to juvenile court at Auburn.

Ralph Cowan was the officer who made the arrests.

The other two arrests were made at The Pines and both defendants entered pleas of not guilty. Officer Robert E. McDonald of Sacramento cited Ruth Cochran, part owner, and Roy B. Cooney, bartender, for selling liquor after legal closing hours and for failure to destroy empty liquor bottles.

Judge Charrison released the latter two defendants without bail, pending a trial at 10 a.m. August 14. (ejv)

RECORD CROWD AT CHAPEL FOR SECOND WEEK

TAHOE CITY—Bishop Noel Porter of the outdoor Chapel of the Pines reports that Sunday's 11 o'clock devotions drew a congregation of over 500 for the second Sunday in a row, the greatest sustained attendance in the chapel's history.

Rev. Gordon Cross of St. Matthew's Episcopal Church in Sacramento, head of the young people now vacationing at St. Nicholas Hall and campgrounds from all over northern California, was the guest speaker. Bishop Porter will conduct the services and deliver the sermons for the balance of the summer. Mrs. Frances Carlson of Pineland was guest soloist.

Following the last service at the chapel, Bishop Porter baptized one year old Elizabeth Terry Byrnes, daughter of Mr. and Mrs. Malcolm H. Byrnes of Tahoe Pines, and also Catherine Mitchell Dean, 15, of San Francisco. He then confirmed four young ladies, who are vacationing at a girls' summer camp at Brockway. They are Susan Selden Fisher, Janina Helen O'Hanrahan and Catherine Mitchell Dean of San Francisco, and Virginia Fay Zinn of Tahoe Pines.

Bishop Porter reports six persons have completed special confirmation classes he has been giving at his residence Friday nights and he is now preparing six more on Thursday evenings at 8 o'clock for confirmation soon. (es)

PINELAND POTLUCK SATURDAY NIGHT

TAHOE CITY—The congenial residents of Pineland are giving one of their famous pot-luck suppers at Pineland Bowl on Saturday evening next and everyone is invited. Charles Beardsley asks that anyone planning to come call Mrs. Gladys Anderson at Tahoe City 240 and learn what dish to bring along to complete the menu planned. Entertainment always accompanies these "shindigs" so "come and bring the family," Beardsley urges. (es)

Have yourself
a HEART-LIFT!

FROM deep inside you comes a new stir and sparkle when you take the wheel of a fun-filled car like this Buick Convertible.

You feel happier just to be in a car with the lift of larks to its styling—with the breeze-blessed airiness of all outdoors all around you.

It's a car that freshens your spirits with its sky-filled view—yet it can snug you in weather-tight shelter, when the need arises, with a mere finger-touch of hydraulic buttons.

But you get a heart-lift in this Convertible from something more than just its looks, or its versatility, or the push-button control of its top, its front seat and its windows.

You get it, too, from the sheer brilliance of its performance—

From the thrilling power of the great new Fireball V8 Engine found in every 1953 Buick SUPER and ROADMASTER—the modern and advanced V8 that reaches a new high in compression ratio—

From the new instant getaway of Twin-Turbine Dynaflo*—where you move from standstill to cruising pace in a quick sprinkling of seconds, and with truly infinite smoothness—

From the deep comfort of riding soft and ever-level on all-coil-spring cushioning—of sitting in sumptuous luxury on really wide seats—of handling over two balanced tons of fine

automobile with finger-tip ease and the gentle assist, as you need it, of Power Steering.*

We'll be happy to have you guest-drive one of these stunning new Buicks—and let you see for yourself how much fun and fine feeling it can add to life. Why not drop in for a visit soon?

*Standard on Roadmaster, optional at extra cost on other Series.

NORTH TAHOE

by THELMA BURROUGHS

With all the additional building going on in our area this summer, and thinking back over the nine years since we came here on the 25th of July, the development of North Tahoe in this short time, one wonders, at this rate, what the place will be like in another ten years.

The Al Bettencourts of Silver Sands are busily engaged in changing the scenic values of their latest acquisition, the pond, down across the highway from their original purchase, Silver Sands. Temporarily, at least, we have a much better view of the lake.

Wayne Latimer of San Francisco

is vacationing at his Tahoe Vista home for a few days.

Mrs. Alva Perkins of Concord, who came up for just a few days of rest at The Burroughs, has so enjoyed this good mountain and scenic beauty along with the rest that her vacation has been extended another week.

We received an interesting letter recently from Steve Port Jr., who is stationed in San Patricio, Puerto Rico. Steve says that when his time is up he hopes to come back to Tahoe, although there is a possibility of re-enlistment. He says this is the rainy season there and in addition to the rain the weather is quite warm.

Last Tuesday night at the North Shore Club Mr. and Mrs. C. J. Kroells of Lindsay with friends

TAHOE BAZAAR AND FOOD SALE IS BIG SUCCESS

TAHOE CITY— The food sale and bazaar, staged Saturday in the Community Center here by the Womens' Club of Tahoe, was very successful, according to the club's president, Mrs. Alma Guth, and other members who took an active part in the affair. Proceeds realized from the various departments of the sale, which will all be added to the club's building fund, were approximately: handcraft, fancy work and flowers, \$70; food sale, \$65; "white elephant" table, \$50; parcel post, \$20, and money taken in on the hand-made stole donated by Gerda Kvistberg, \$94.70.

The several booths and departments in the bazaar were well stocked with salable items and before the day was over all were pretty well sold out. Mrs. Pearl Snyder, general chairman, presided over the handcraft and flowers, assisted by Martha Snyder and Betty Ball. Mrs. Louise Geier was in charge of the parcel post booth.

Mrs. Stella Watson was in charge of the "white elephant" sale, aided part time by Mrs. Gerda Kvistberg. Mrs. Zella Mortimer was among others giving valuable aid during the day.

Mrs. Gladys Anderson presided over the food tables, with Margaret Broelyes ably assisting. In this department many excellent cooks of the locality showed to good advantage. Two dozen cream puffs made by Eleanor Swanson were sold out within minutes, according to the sales manager. Donations of pies were made by Florence Vernon, Anne Anderson, Rose Boyarides, Mary Demming and others; and cakes by Jean Henry, Celeste Daniels, Beulah Carnell, Pearl Snyder and Ida Simmonds. Only a few jars of fruit and jellies remained unsold, to be held over for the August food sale.

Mrs. Guth announces a director's meeting in her home at 8 p.m. August 5 and urges all club officers, directors and committee chairmen to attend. (ejv)

METHODISTS AT LAKE

The Methodist Summer Camp program at Lake Tahoe opens next weekend with the Christian Adventure Camp for junior high school age youths at Lake Forest from August 1 to 8. Methodist Institute sessions will be held at the Tahoe camp August 8-15, 22-29 and August 29-September 5.

celebrated their 40th wedding anniversary. After dinner the celebration continued over around Cal-Neva. Friends and relatives helping with this observance were Mr. and Mrs. Wesley Maas and son, Dick; Mr. and Mrs. H. Nestche of Lindsay; Mr. and Mrs. H. Walsh, San Leandro; Mr. and Mrs. Dan Anderson of Tahoe Vista and daughter, Lorraine, San Francisco. The whole gang are present vacationing at Sandy Beach Resort and are friends of the Andersons.

Others at the "Andy" Anderson home for a week's vacation are their daughter, Lorraine, son-in-law, Nelson Walsh, with their daughters, Susan, Sandy and Sidney, and Mrs. Joyce Morton. The little granddaughters and Mrs. Morton have been here from San Leandro for three weeks.

Guests in the Richard Andersen home at Kings Beach are Mrs. Luzcak and daughter Nancy, with Mrs. Luzcak's sister and daughter, all from Buffalo, N.Y. Mrs. Luzcak is the mother of young Mrs. Anderson, who came here as a bride more than a year ago.

P. M. Burroughs of Tahoe Vista, chairman of the roads and highways committee of the Lake Tahoe-Sierra Chamber of Commerce, was one of the delegation from the lake at a meeting of the state highway commission at Sacramento last Thursday. This group urged a new highway section and bridge over Emerald Bay on the southwest shore of Lake Tahoe. Others from the chamber were President Fred Main, who served as spokesman, Mrs. Jeannette Mitchell, representing Highway 89 South and Mrs. Carol Raymond, chamber manager.

Truckee Group of Christian Scientists announce

Sunday Services

each Sunday at 11 a.m. at the

Wyethia Women's Club House in Truckee

Sunday School

9:30 A.M.

The public is cordially invited to attend

SQUARE DANCING AT MEEKS BAY

MEEKS BAY— Vacationists at Meeks Bay are square dancing on Wednesday and Sunday evenings at the terrace room on the beach. Miss Angela Bowen of Salt Lake City was the guest of Mrs. Ray Johnson in the Krantz home on Meeks Vista. Other guests of Mrs. Johnson are Misses Belinda Rose of Palo Alto and Bonnie Jane Russell and Kathryn Johnson, both of Atherton.

Mrs. Jean McAteer and family of San Francisco are here for the summer.

Mr. and Mrs. Douglas Dutton and family of Roseville have opened their Meeks Bay home.

Mrs. Sally Anderson and son of Sacramento, Miss Arlene Severed of Chico, the W. G. Watt family of Berkeley, Mr. and Mrs. L. H. Reitz and family of San Bruno, the Wm. Brossard family of Oakland and the Lee Brossards of Redondo Beach, and the George Ross family of Berkeley are vacationing here.

EIGHTY ATTEND POTLUCK DINNER AT CHURCH HERE

A pot luck supper at the Truckee Community Methodist Church last Thursday attracted approximately 80 people. Special musical numbers were offered by Merrill Englehart, Billy Notley, JoAnn and Janet Allen, Irene Englehart, Mrs. J. L. Taylor and E. H. Risden. A motion picture was shown by Rev. Sidney Winston, pastor.

Risden spoke on the development of the church building program. Royal Elf presented a plan for financing the building program indebtedness, with commitments being underwritten by Bank of America and \$1050 in individual commitments were secured at the dinner.

MORMON TEMPLE

The Mormon Temple at Salt Lake City, which required 40 years to build, was dedicated April 6, 1893.

My Place In the Sun

by DOUG BARRETT

Fond memories of a lively Hobart Mills came back to me this week.....when I saw Frank Wilson up from Nevada City and "Heinie" Seibold over from Sparks.....for the special Masonic doings last Saturday night.....Mrs. Wilson was the Sierra Sun correspondent at Hobart Mills and was over with her hubby, guests of their son..... Judge FWW.....while "Heinie" checked up on his son, Bob Seibold.....Nat Quilici with a full crew on deck.....still hard at it at eight o'clock last night at his Fontana's Laundry.....really cleaning up..... The bright orange steel structure for the new division of highways building on the hill northeast of town.....standing out in the setting sun.....Vern Shattuck, complete with his farmer straw hat, washing

down the sidewalk in front of his Donner Theater.....I rode up on the bus from Colfax Friday with Jean Todd.....who came up from the bay region to visit her folks, Ivan and Ruby Todd.....and to break the news of her coming wedding in a few weeks hence..... Joe Gini keeping a watchful eye over his SP work crew.....as they replace worn ties under the mainline tracks through Truckee..... M. L. Jennings, Sacto Div. SP supt., emerging from his apartment by the water tower.....under a spotless white golfing cap.....

Leitchs See Friends—
Mr. and Mrs. Arthur P. Leitch of Placerville, who are vacationing at Lake Tahoe, visited local friends Tuesday.

Engelhart Visitors—
Mrs. A. Logamarsino and daughter, Caroline, of Sacramento are visiting at the Wm. Engelhart Jr. home this week.

Siri Returns—
Chester Zunino of Wilton went home Monday after visiting his father, Jerry Zunino, and bringing Bob Siri back to Truckee. The latter became ill while working in the valley and was advised to return here.

TEA ENJOYED AT WYETHIA MEET

Past presidents of the Wyethia Club, with present officers, Mrs. Rex Reid, Mrs. Fred Pedley and Mrs. Carroll Maynard, received last Thursday afternoon at the annual silver tea, held in the garden at the I. Firpo home at Gateway Park.

MeMsdames C. B. White, I. Firpo, Annie Tonini, Charles Heller, Jack Wolert poured between the hours of 2 and 5.

Mrs. J. Paul Webb, tri-county president, and Mrs. P. G. Friday, northern district president of the Federated Women's Clubs, and members of the women's clubs at Lake Tahoe as well as local members attended the pleasant affair.

Mrs. Walter A. Loynd was chairman, assisted by Mrs. Robert Bick, Mrs. Robert Saunders, Mrs. Howard Newsham and Mrs. Everett O'Rourke.

Up from City—
Mr. and Mrs. Clarence Browne of San Francisco are guests this week of Mr. and Mrs. Greg Browne and Mr. and Mrs. F. W. Galennie. Wally Sykes, who had been visiting his grandparents, the Gaiennies, has returned to his home at Klamath.

Delay Trip—
The European trip previously planned by the Rudolph Zimmermans has been temporarily delayed by the illness of Mr. Zimmermann at San Francisco. They had been at their summer home at Tahoe City earlier in the season.

Hopkins Here—
W. J. Hopkins was in town this week from Santa Maria where he has lived for several years and said he may move to Oregon in the near future. Hopkins was formerly a business man at Donner Lake.

At Ice Follies—
Mr. and Mrs. George Kaspien and family attended the Ice Follies in San Francisco last week.

SCRIPT WRITER IS KILLED IN FALL NEAR SUMMIT

The body of Fred Williams, 46, formerly a script writer for Bob Hope, who was fatally injured in a fall from a train in Tunnel 11 near Donner Summit, has been shipped to Hollywood for funeral arrangements.

Williams suffered internal injuries in the fall. He was found by a track walker for the Southern Pacific and Constable N. F. Dolley and Deputy Sheriff RoRo Waters were notified and took the Truckee Ambulance to the summit. There they employed a motor car to bring the injured man to where he could be placed in the ambulance.

Taken to the Tahoe Forest Hospital, Williams was given treatment and then removed to Nevada City where he expired Sunday night. He was hurt at 8 p.m. Saturday night and discovered at 11:30.

He had worked for Bob Hope for 13 years, according to word from relatives in Southern California who are making arrangements for the funeral.

EXCHANGE STUDENT GUEST AT ROTARY

A Rotary Fellowship Foundation exchange student, Hiroshi Tsukino, spent four days visiting Truckee while en route to Boston University. Tsukino is sponsored by the Rotary Club of Kobe, Japan. He only intended to spend one day here but mountain scenery and local hospitality persuaded him into extending his visit.

The local Rotary Club held an impromptu gathering at Donner Lake Lodge last Thursday evening to hear him relate interesting highlights on Japan.

The 24 year old Japanese student graduated from Keio University and will major in political science at Boston. His mother is an English teacher in a Japanese school.

Charles Osburn provided lodging for Tsukino during his stay here.

SUSPECT ESCAPES IN LOCAL HUNT

Truckee and state police officers engaged in a widespread man hunt here Thursday night after a man believed to be Raymond Freeman, 20, wanted for questioning in connection with the theft of a car in Reno, evaded pursuers when the car in which he was riding "jumped" the quarantine station and was wrecked near the high school.

A second suspect, Wayne E. Morgan, 29, was held by Orval Vaughan, quarantine inspector, until officers arrived. Officers said he admitted being a parole violator from Bethel, Ohio. He was taken to the Nevada County Jail by Sheriff Wayne Brown who joined the all night search for Fryman, who disappeared into the brush south of Highway 40.

Family Returns Home—
R. N. Little, his daughter, Mrs. Richard George and children, Barbara and Mary, went to the bay district Wednesday. The George family has been visiting here for the past two weeks.

Wittich Married—
Warren Wittich, son of Mr. and Mrs. H. A. Wittich of Colfax, claimed as his bride Miss Anna Rice of Auburn at Carson City July 11. Young Wittich is associated in the garage business with his father.

CARD OF THANKS
We take this method of expressing our heartfelt appreciation to our many friends for their kindness and expressions of sympathy during our recent bereavement.
Mr. and Mrs. Michael Richards

FUN NIGHT FRIDAY IN LOCAL CHURCH

Family Fun Night, with games and refreshments for everyone in the family will be featured in the Community Methodist Church's basement Friday night, beginning at 7 o'clock, under the sponsorship of the WSCS. Refreshments will be for sale. The weekly movie program at 7:30 Saturday evening and Sunday morning services are also open to all who desire to attend.

Mr. and Mrs. Vince Zunino of San Rafael were visiting here briefly this week with Jerry Zunino.

PINCIC HELD AS BAY FOLKS VISIT

Mr. and Mrs. Howard Newsham had as their guest last week Mrs. John Newsham of San Francisco, mother of the local man, who made the trip by airplane. While here the visitor attended the Wyethia Club silver tea and was also a guest at a picnic given by Mr. and Mrs. William Engelhart Sr. Sunday at their retreat on the Truckee River.

Child Ill—
Diane Cardinal, daughter of Mr. and Mrs. Hes Cardinal, was a tonsilectomy patient at Reno last week.

Tarzan

by EDGAR RICE BURROUGHS

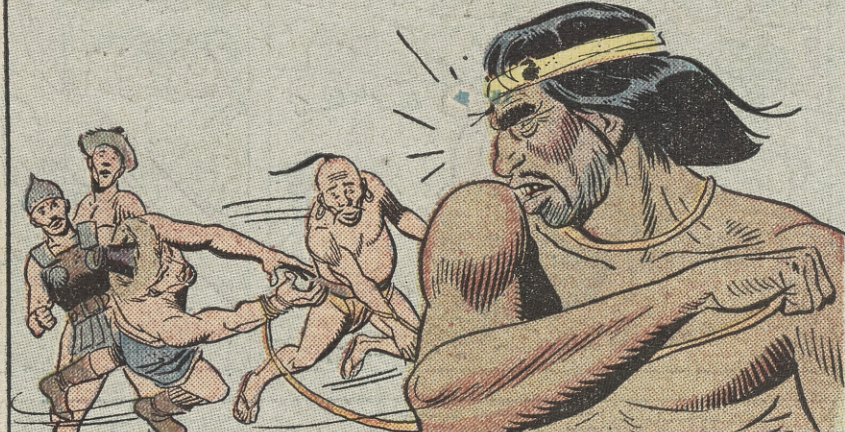

ALTHOUGH SADAR ACCEPTED A CHALLENGE TO PERSONAL BATTLE, HE FIRST STIPULATED THAT TARZAN MUST DEFEAT THE "KILLER OF MEN". NOW THE KHAN AND CIRCO ANXIOUSLY AWAITED THE BEGINNING OF THE CONTEST.

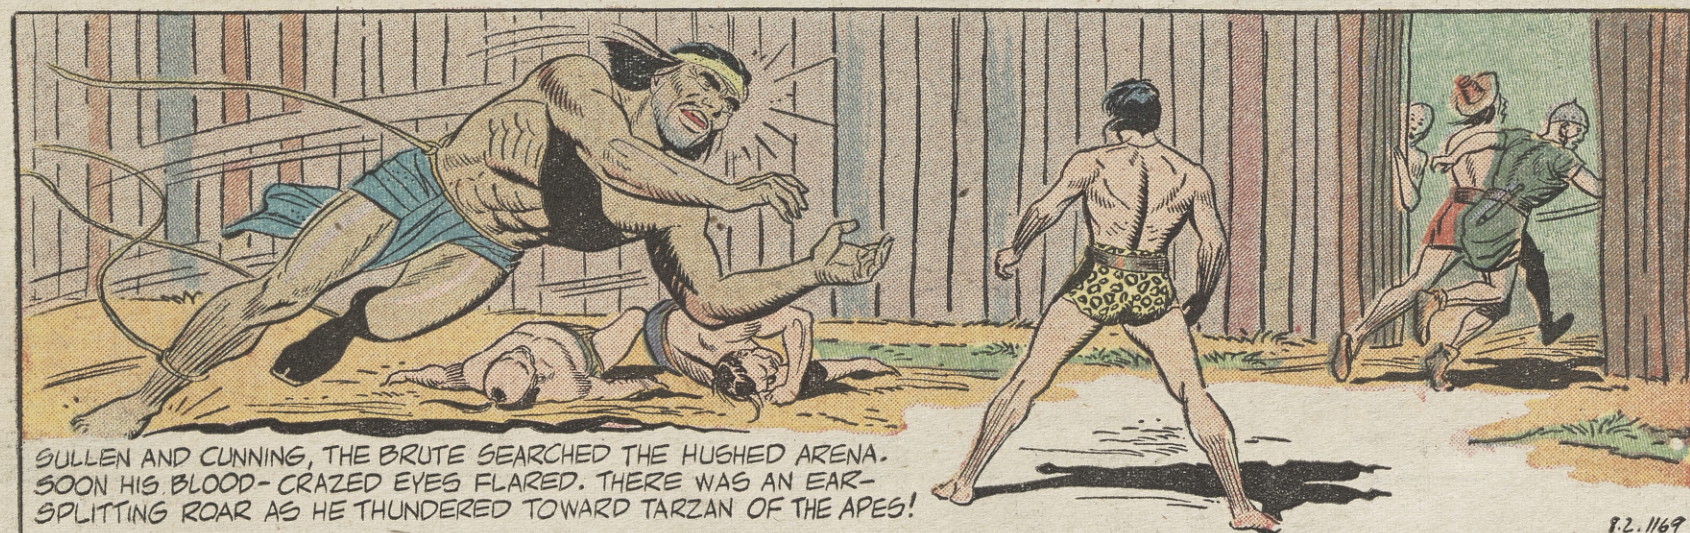

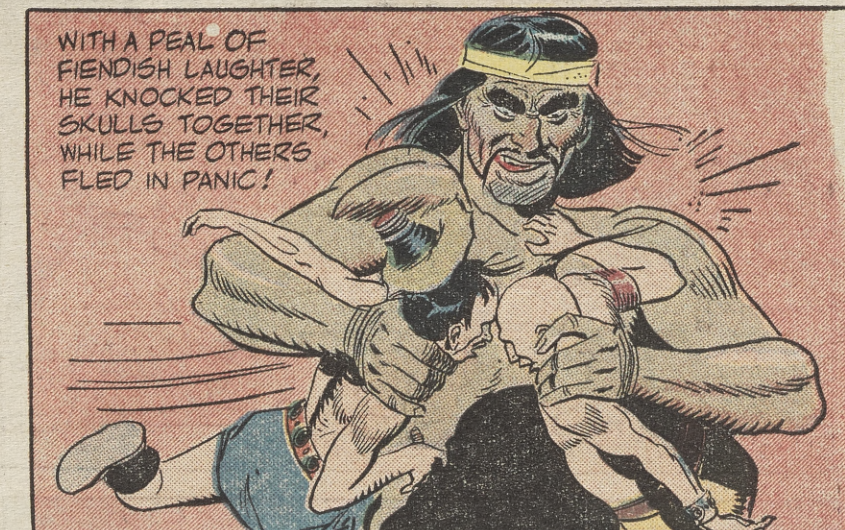

PRESENTLY, HELD AT BAY BY THE ROPES OF EIGHT MONGOLS, THE "KILLER OF MEN" WAS BROUGHT INTO THE ARENA -- A GIGANTIC, HIDEOUS CREATURE!

Copyright 1953 Edgar Rice Burroughs, Inc. - Tarzan U.S. Pat. Off. Distr. by United Feature Syndicate, Inc.

THEN A SUDDEN BURST OF STRENGTH FREED THE MONSTER'S ARMS! ABRUPTLY HE JERKED TWO TERRIFIED GUARDS OFF BALANCE, TRAPPED BY THEIR OWN GUIDE ROPES!

WITH A PEAL OF FIENDISH LAUGHTER, HE KNOCKED THEIR SKULLS TOGETHER WHILE THE OTHERS FLED IN PANIC!

GULLEN AND CUNNING, THE BRUTE SEARCHED THE HUSHED ARENA. SOON HIS BLOOD-CRAZED EYES FLARED. THERE WAS AN EAR-SPLITTING ROAR AS HE THUNDERED TOWARD TARZAN OF THE APES!

YOU KIDS TELL ME THAT YOU HADDA PRETEND T'HOLD UP A COUPLA CHARACTERS WITH "FAKE" GUNS AS PART O' YER SORORITY INITIATION... THEN HOW COME THIS PHONY ROD SHOOTS REAL BULLETS??

I (CHOKE) DON'T KNOW...

THE HOLDUP BY A GROUP OF HOODLUMS RESULTED IN THE LOSS OF A DIAMOND NECKLACE VALUED AT \$100,000... THE ROBBERS WORE IDENTICAL RAINCOATS...

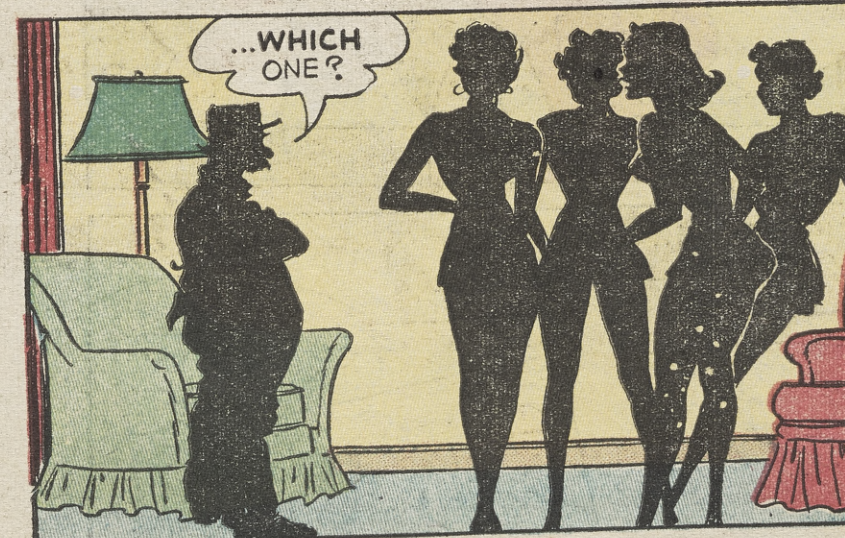

THEY MEAN (GASP) US!

B-BUT WE NEVER ACTUALLY TOOK ANYTHING FROM THEM... D-DID WE?

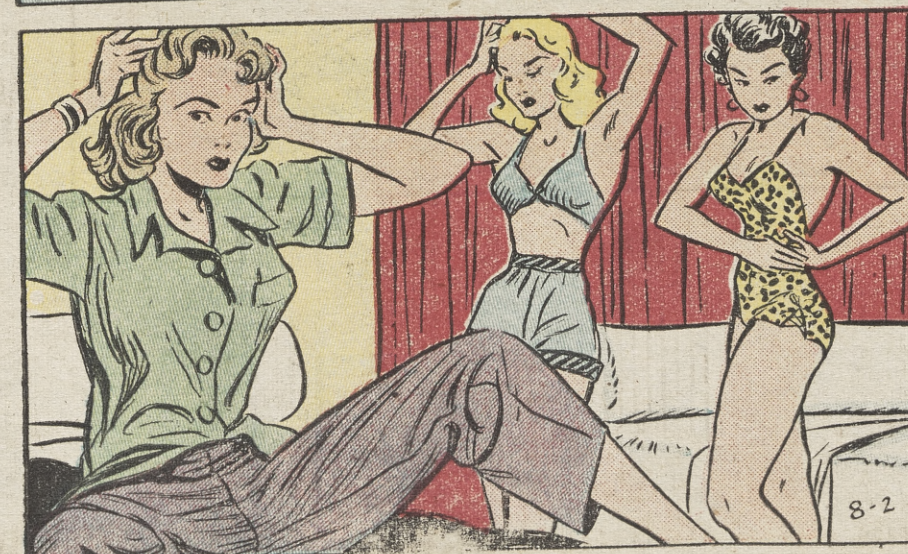

WELL, ONE O' YOU KIDS IS NOT ONLY PACKIN' A REAL CANNON... BUT IS ALSO STACHIN' AWAY A HOT NECKLACE... QUESTION IS...

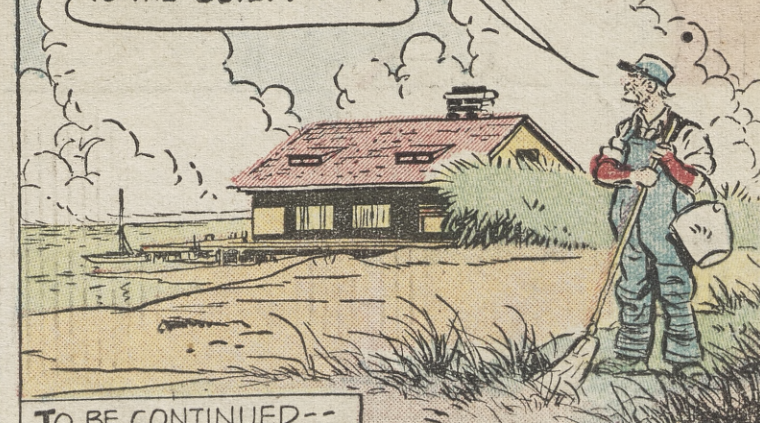

...WHICH ONE?

LATER THAT NIGHT... THE GIRLS PREPARE FOR BED... EACH QUIETLY OBSERVING THE OTHER... WONDERING WHICH OF THEM IS THE THIEF...

I GOTTA IDEA HOW T' FIND OUT WHICH O' THEM KIDS IS THE GUILTY ONE!
